DECISION ON PETITION

This is a decision on the petition under the unintentional standard of 37 CFR 1.137(b), filed January 11, 2011, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely reply to a non-final Office action, mailed July 31, 2003, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on November 1, 2003. A Notice of Abandonment was mailed on June 1, 2004.

Applicant has submitted an amendment in reply to the July 31, 2003 non-final Office action, an acceptable statement of the unintentional nature of the delay in responding to the July 31, 2003 non-final Office action, and the \$810.00 petition fee.

All of the requirements under 37 CFR 1.137(b) being met, the petition is granted.

The application file does not indicate a change of address has been filed in this case, although the address given on the petition differs from the address of record. A change of address should be filed in this case. Please complete and return the enclosed form. A courtesy copy of this decision is being mailed to the address noted on the petition. However, until otherwise instructed, all future correspondence regarding this application will be mailed solely to the address of record.

After the mailing of this decision, the application will be returned to Technology Center AU 1772 for consideration of the amendment filed on September 2, 2008.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3230.
